

FALCON S.A GYMNASTICS CLUB

British Gymnastics Membership Pack

Becoming a member of British Gymnastics

By joining Falcon SA Gymnastics Club, you **must** also become a member of British Gymnastics, the national governing body for gymnastics in the UK. As a member, you'll enjoy a number of benefits, including insurance and savings at top UK attractions.

To comply with the General Data Protection Regulation (GDPR) the club is not able to pass on you or your child's personal details directly to British Gymnastics.

We therefore require all parents or guardians of children under the age of 16 to register directly through the British Gymnastics website. If as a gymnast you are over the age of 16, you can complete the process yourself.

This document will guide you through how it works and the process of signing up.

How it works

After registering with Falcon SA and paying us your combined club and British Gymnastics membership fee you will have to register with British Gymnastics.

This process creates your vital insurance cover. The registration system on the British Gymnastics website is quick and easy to use by mobile phone, tablet, computer or laptop. You won't need to pay anything extra.

British Gymnastics will activate the membership and insurance cover immediately as well as sending membership confirmation and information on benefits by both post and email.

British Gymnastics will notify us when you have completed your registration.

The Process

Log on to www.british-gymnastics.org

On the front page click (join British Gymnastics or renew your membership) and click Start

On the map drag your arrow to Bedford and click (the area will turn blue)

Fill in the details for yourself and then it will ask you to add your child's details

When asked for Main Club:

Select Falcon (Scott Primary School, Hawk Drive, Bedford, MK41 7JE)

When asked for type of gymnastics;

Select Acrobatic Gymnastics

Please note that there is **NO PAYMENT** required as you have paid Falcon directly

If you have any problems please feel free to contact Hannah Byers on 07917 657956
